

Webinar

Chemometrics in Vibrational Spectroscopy

13th-14th July 2020

Raman Imaging Group

Faculty of Chemistry, Jagiellonian University in Krakow

During the webinar a series of tutorials and lectures discussing advanced methods of spectroscopic data analysis with emphasis on chemometrics will be presented.

The webinar is being held online and is free of charge. Each participant will receive a personal certificate of participation in the tutorials.

The registration is extended to 7th July 2020.

All applications should be sent to the following e-mail address: zor@chemia.uj.edu.pl

List of invited speakers:

Dr. Claudia Beleites (Chemometrix GmbH, Germany)
Prof. Hugh Byrne (FOCAS Research Institute, Ireland)
Dr. Alex Henderson (University of Manchester, UK)
Dr. David Perez-Guaita (FOCAS Research Institute, Ireland)
Dr. Artur Surówka (AGH University of Science and Technology, Poland)
Prof. dr hab. Beata Walczak (University of Silesia, Poland)
Prof. Bayden Wood (Monash University, Australia)
